Bulldog Pride are a community of LGBTIQA+ Western Bulldogs fans and their allies.

We bring LGBTIQA+ Bulldog supporters together at footy related activities and events throughout the AFL and AFLW seasons.

We proudly support our club to create a safe, welcoming and inclusive environment for its LGBTIQA+ supporters and players. We also work alongside other LGBTIQA+ AFL supporter groups and the AFL to promote diversity and equality across the AFL, and the broader community.

About the Western Bulldogs

The Western Bulldogs are an Australian Football League club based out of the western suburbs of Melbourne. They have always been more than just a football club, and are proudly the most community focused club in the AFL.

The thing that ties us together is that we are all Bulldogs, through and through. That means we stand up for each other and what we believe in, and as Bulldogs, we believe in diversity, equality and respect.

That's why the Western Bulldogs were proud to say yes to marriage equality in 2017, and why they have enshrined anti-discrimination policies in their member code of conduct.

Our Teams

AFL Men

Our Senior men play 22 games from March – September, plus up to four finals games in September. The men play all around Australia, with home games taking place at Etihad Stadium in Docklands, and Mars Stadium in Ballarat.

AFL Women

The Western Bulldogs strongly backed the introduction of the women's league, and were one of the first clubs to receive a license. Our women play 7 games from February – March, with home games taking place at Victoria University Whitten Oval in Footscray.

VFL Men and Women

Our state league teams play during the AFL Men's season, with both teams playing home games at Victoria University Whitten Oval in Footscray.
